RE: enclosures/documents support Power-of-Attorney's attempts to  
receive Seized Currency:

Ms. Millar,

Please find enclosed the documents supporting the attempts made to receive the seized currency. Attempts were also made through the Kings County property Clerk Cassandra Allen. In both dismissed cases Cassandra Allen provided my Power of Attorney with a District Attorney's Release with the "WRONG" Voucher number written on the form to obviously deter her from obtaining the actual property when the Assistant District Attorney Jingu Chong had ordered the release of the property.

I also enclosed a copy of the "PRISONER PEDIGREE CARD" signed by Sgt. Pierre showing that my glasses, keys, and \$6,737 were taken from my person at the 67<sup>th</sup> Precinct. This clearly demonstrates that the abovedescribed U.S. Currency was never vouchered and is still missing along with the glasses.

Further enclosures include documents to the Internal Affairs Bureau regarding the abovedescribed missing currency, glasses, iphones, and receipt books (also showing the occasions when my power of attorney has come to New York regarding personal property); Demand Form to the Property Clerk Division; Fax to officer's regarding Power of Attorney; email from A.D.A Jingu Chong releasing property after dismissed case; and a Copy of the Voucher Consisting of the \$93,654.

I pray that these documents assist with your investigation. These items should clarify that attempts were made immediately after the case was dismissed to get the personal property returned.

Respectfully,

April 30, 2018
